### Guide to Manuscript Submission

Submission to the *ACM Transactions on Autonomous and Adaptive Systems* is done electronically through <http://acm.manuscriptcentral.com>. Once you are at that site, you can create an account and password with which you can enter the ACM Manuscript Central manuscript review tracking system. From a drop-down list of journals, choose *ACM Transactions on Autonomous and Adaptive Systems* and proceed to the Author Center to submit your manuscript and your accompanying files.

You will be asked to create an abstract that will be used throughout the system as a synopsis of your paper. You will also be asked to classify your submission using the ACM Computing Classification System through a link provided at the Author Center. For completeness, please select at least one primary-level classification followed by two secondary-level classifications. To make the process easier, you may cut and paste from the list. Remember, you, the author, know best which area and sub-areas are covered by your paper; in addition to clarifying the area where your paper belongs, classification often helps in quickly identifying suitable reviewers for your paper. So it is important that you provide as thorough a classification of your paper as possible.

The ACM Production Department prefers that your manuscript be prepared in either LaTeX or Ms Word format. Style files for manuscript preparation can be obtained at the following location: <http://www.acm.org/pubs/submissions/submission.htm>. For editorial review, the manuscript should be submitted as a PDF or Postscript file. Accompanying material can be in any number of text or image formats, as well as software/documentation bundles in zip or tar-gzipped formats.

Questions regarding editorial review process should be directed to the Editors-in-Chief. Questions regarding the post-acceptance production process should be addressed to the Journal Manager, Laura Lander, at [lander@hq.acm.org](mailto:lander@hq.acm.org).

### Subscription, Single Copy, and Membership Information.

#### Send orders to:

ACM Member Services Dept.  
General Post Office  
PO Box 30777  
New York, NY 10087-0777

#### For information, contact:

**Mail:** ACM Member Services Dept.  
2 Penn Plaza  
New York, NY 10121-0701

**Phone:** +1-212-626-0500

**Fax:** +1-212-944-1318

**Email:** [acmhelp@acm.org](mailto:acmhelp@acm.org)

**Catalog:** <http://www.acm.org/catalog>

Subscription rates for *ACM Transactions on Autonomous and Adaptive Systems* are \$ 40 per year for ACM members, \$35 for students, and \$140 for nonmembers. Single copies are \$18 each for ACM members and \$40 for nonmembers. Your subscription expiration date is coded in four digits at the top of your mailing label; the first two digits show the year, the last two show the month of expiration.

**About ACM.** ACM is the world's largest educational and scientific computing society, uniting educators, researchers and professionals to inspire dialogue, share resources and address the field's challenges. ACM strengthens the computing profession's collective voice through strong leadership, promotion of the highest standards, and recognition of technical excellence. ACM supports the professional growth of its members by providing opportunities for life-long learning, career development, and professional networking.

**Visit ACM's Website.** <http://www.acm.org>.

**Change of Address Notification.** To notify ACM of a change of address, use the addresses above or send an email to [coa@acm.org](mailto:coa@acm.org).

Please allow 6–8 weeks for new membership or change of name and address to become effective. Send your old label with your new address notification. To avoid interruption of service, notify your local post office before change of residence. For a fee, the post office will forward 2nd- and 3rd-class periodicals.
